Resolution 2016- 1

A Resolution Updating Solid Waste District Program Fees

Whereas, The Northeast Indiana Solid Waste Management District (NISWMD) is required to reduce the municipal solid waste stream, and

Whereas, District programs continue to grow in use and popularity, with ever increasing pressure on District resources, and

Whereas, The need is present to address program and facility growth, in order to meet operational and safety standards, state regulations, and demand of the customer base utilizing facilities, and

Whereas, The mission of NISWMD is: To assure uniform, efficient, cost effective solid waste services and infrastructure are available to the citizens of the District; and

Now Therefore Be It Resolved, the following schedule of fees as incorporated in and a part of this resolution is hereby adopted.
