**VERY SMALL QUANTITY GENERATOR (VSQG)
HOUSEHOLD HAZARDOUS WASTE COLLECTION
INTAKE REGISTRATION**

Business Name: _____

Address: _____

Phone: _____

A very small quantity generator (VSQG) is any generator that generates no more than 100 KG (220 lbs.) of non-acute hazardous waste in a calendar month. The total on-site accumulation does not exceed more than 1000 kilograms (approx. 2200 lbs.) of non-acute hazardous waste. If this applies to you, please read and sign below.

Please read and sign below:

I certify the business that I am representing is a Very Small Quantity Generator (VSQG) that generates no more than 100 kilograms, or 220 pounds of hazardous waste per month. I, the representative of the VSQG, understand the maximum quantity of waste accepted at the time of disposal is 220 pounds and any disposal costs incurred shall be the responsibility of the VSQG is to pay at the time of disposal, or by invoice.
